Cubicle Commando is an extraordinary book that arms intrapreneurs (internal entrepreneurs) with remarkable thinking and techniques they can use to help their companies innovate. It is designed to assist these enormously creative and intelligent individuals who want to make a difference within their companies but are struggling to translate their ideas into action. Cubicle Commando helps them work most effectively within the existing structures, systems, resources and realities of a corporation. Cubicle Commando ultimately serves the best interests of those corporations who are serious about leapfrogging their competitors through frequent innovation. Unlike many in the business genre, this beautifully presented book features 192 full colour pages of creative concepts to inspire and ignite the passion in individuals and corporations.
